#4 Trapped - 2Pac

[Verse 1: 2Pac]
You know they got me trapped in this prison of seduction
Happiness, living on the streets is a delusion
Even a smooth criminal one day must get caught
Shot up or shot down with the bullet that he bought
Nine-millimeter kickin' thinkin' about what the streets do to me
'Cause they never taught peace in the Black community
All we know is violence, do the job in silence
