At the New Museum, visitors move through bold, immerse installations, tech-driven experiments, and contemporary pieces of work (multimedia elements) — rather than just static paintings or sculptures. It allows you to explore interactive spaces, join artist talks/screenings, and experience art that really grant you the space to think.

Visitors' Experience

What is NEW INC.?

NEW INC. is the coined as the cultural incubator of the New Museum. This nonprofit organization was founded 12 years ago and aims to support and provide resources to art.

Significance

Its mission is “New Art, New Ideas” means it advocates art that pushes the line and questions the status quo.

Recent Renovations

New renovations have not only prioritized visitor flow, but also the NEW INC. program by creating a better space for their members with top-of-line production facilities.
